HYDRAULIC SOLUTION

ABOUT US

Celebrating 20 years MAHE, is your leading industrial and hydraulic hose products supplier. Our sales, service, design & installation teams are here to support all of your hose component needs.

MAHE has partnered with world best manufacturers in the industry to provide customers an extensive inventory of high-quality products delivered to you with outstanding service at competitive pricing. MAHE has been providing customers expert, unparalleled service and quality products at competitive pricing for decades. Our staffed are with knowledgeable and skilled professionals ready to assist you in all your product and assembly needs. We make sure you get what you need when you need it.

Our Hose van on-site service, operated by experienced hose technicians, each equipped with the hose crimping machine and inventory to ensure your hose assembly is done right. We help lower operating costs by minimizing down time and maximizing productivity.

We thank our valuable clients for their continued support and business and we are looking forward new clients to come and explore opportunities to deal with us.
